

# The Summit for changemakers!

# Young European Symposium

The **Young European Symposium (YES)** is where Europe's brightest minds unite to shape the future. Under the patronage of Dr. Horst Köhler, former German Federal President, hundreds students, young professionals, and founders will gather in Berlin from **May 2-4, 2025** to address today's critical challenges. Featuring dynamic tracks on technology, geopolitics, leadership, and culture, YES offers a platform for bold ideas, collaboration, and action. Join us at the iconic Unter den Linden venue to network, learn, and innovate for a sustainable Europe.

This is your chance to get to know inspiring people and start making a difference. Say **YES** to Europe's future – **pre-register now!**
