## Helping to shape your programme

---

### As students' representatives in...

- **admission committee** decides about the admission of new students. You'll be informed about the ongoing selection process and invited to be part of the interviews with a few applicants.
- **examination board** decides about all questions related to the study program and examination rules. The members meet only once a year. Most questions are dealt with via email. The students representative is always informed about these decisions and should represent the students opinion.
- **student union („Fachgruppe Biologie“)** organises orientation week, is engaged in different committees. Master students missing! Contact: <https://fgbio.uni-goettingen.de/eure-fachgruppe/>
- **Masterinfo/interviewday** in June (**21.06.24**): help organizing a bbq, chat with new applicants
- **Quality Management organisation team** prepares discussion rounds as part of the decentralized quality management

→ Contact me or other students/current representatives, if you wish to get involved
